

DATA SHEET

KIO215P KIOSK

The slim design of the KIO215P features InTouch's smallest footprint, yet it offers a generous and vibrant 21.5" portrait touch screen display that will attract your audience to engage with your content.

Your users will enjoy 10-point PCAP multi-touch gestures like swipe, pinch & zoom, and the 21.5" Full HD 1080 x 1920 screen resolution delivers rich images that will engage them in a truly immersive user experience. The KIO215P is especially popular for Queue Management, Surveys and Interactive Welcome Screens applications in locations where floor area is at a premium.
