

DATA SHEET

# KIO320P KIOSK

The KIO320P is a stunning modern kiosk that is suited to a variety of applications from Directory & Wayfinding to Self-Ordering, Endless-aisle and Product Information.

The edge-to-edge glass attracts users to engage with your content. There is plenty of space for branding on the large 32" portrait display, and seamless front fascia. Your users will enjoy 10-point PCAP multi-touch gestures like pan, pinch & zoom and the Full HD 1920 x 1080 screen resolution delivers rich images that will engage them in a truly immersive experience. The stylish design features tapers that reduce the kiosk's footprint and an ergonomic angled screen that ensures an optimised user experience.
