

DATA SHEET

INWMSML

10" - 21" Touch Screen

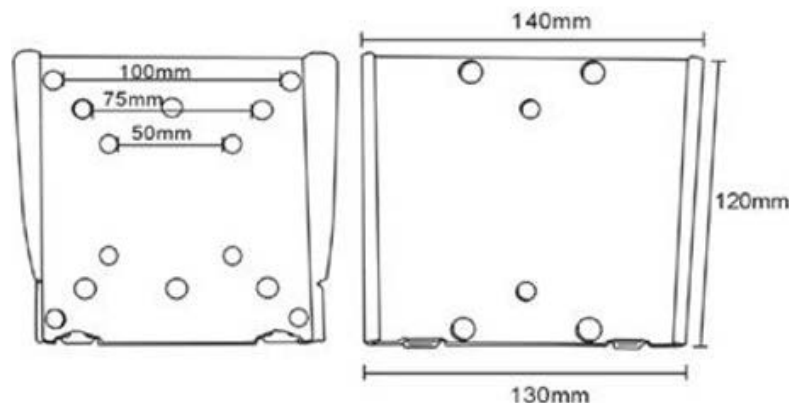

Wall Mount Small

The IN-WM-SML wall mount is ideal for mounting the INDT101 10.1", INDT156 15.6", INDT190 19" and INDT215 21.5" touch screens in landscape or portrait orientation. The two piece design allows easy installation and the super slim low-profile wall-mount is designed to emphasise the sleek look of the slim, elegant touch screen monitor design.
