

DATA SHEET

KIO-LITE156L

COUNTERTOP KIOSK

The InTouch KIO-LITE-156L 15.6" landscape kiosk is a tiny footprint solution that offers numerous modular add-on capabilities. Depending on your application, the KIO-LITE-156L has the ability to incorporate a range of peripherals that will give your customers the ability to order and pay, scan a barcode, enter information or check-in.

This compact kiosk has a small footprint, its stand is robustly constructed using steel, finished with a durable powder-coat finish. The 10-point PCAP touch screen boasts toughened glass that can withstand high-traffic public spaces and the edge-to-edge glass allows for an easy, regular cleaning regime with isopropyl or sterilising wipes.
