# INWMTILT

42" - 55" Tilt Landscape

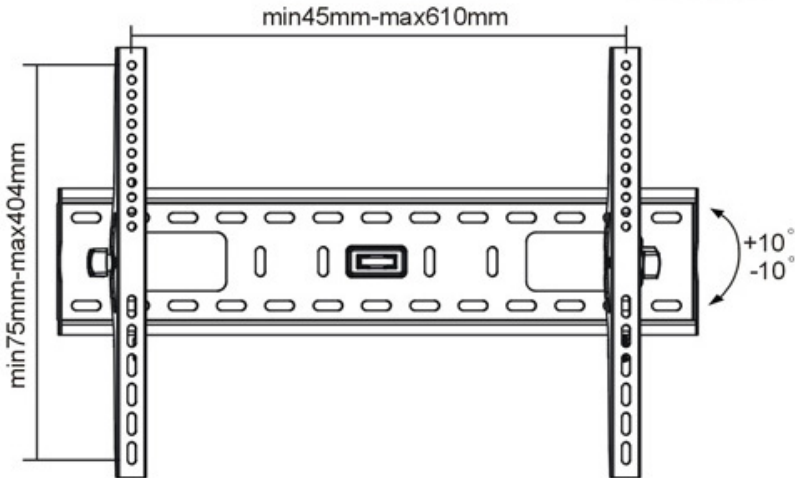

Touch Screen Wall Mount

Easy to use and install, the INWMTILT is designed to mount the InTouch INDT420 42", INTS430-4K 43" and INTS550-4K 55" touch screen models. This unit wall-mounts the touch screens in landscape orientation and offers the ability to tilt up to 10° to position the screen for an optimal viewing experience. Integrated bubble level is included for easy installation alignment. Easy-grip knobs allow for quick tilt and lock. The open architecture provides increased ventilation and easier access to cables.
