TOUCH SCREEN KIOSKS FOR EDUCATION

INTUITIVE | ROBUST | CONVENIENT

TOUCH SCREEN KIOSKS SOLUTIONS FOR EDUCATION

InTouch can assist with a range of kiosk solutions for schools. These are five of the most popular uses of our Australian made kiosks:

1. Registration of visitors coming onto school or campus grounds
2. Student attendance and roll-call
3. Library catalogue search and FAQ kiosks
4. Queue management
5. Showcasing your school history and campus features

TIRRIWIRRI SCHOOL

Visitor management kiosks are a great solution to manage visitors and contractors arriving onsite at schools and universities when used in conjunction with a visitor management software.

Tirriwirri School in NSW required a robust kiosk solution for guests that would work seamlessly with their visitor and contractor management software.
