

DATA SHEET

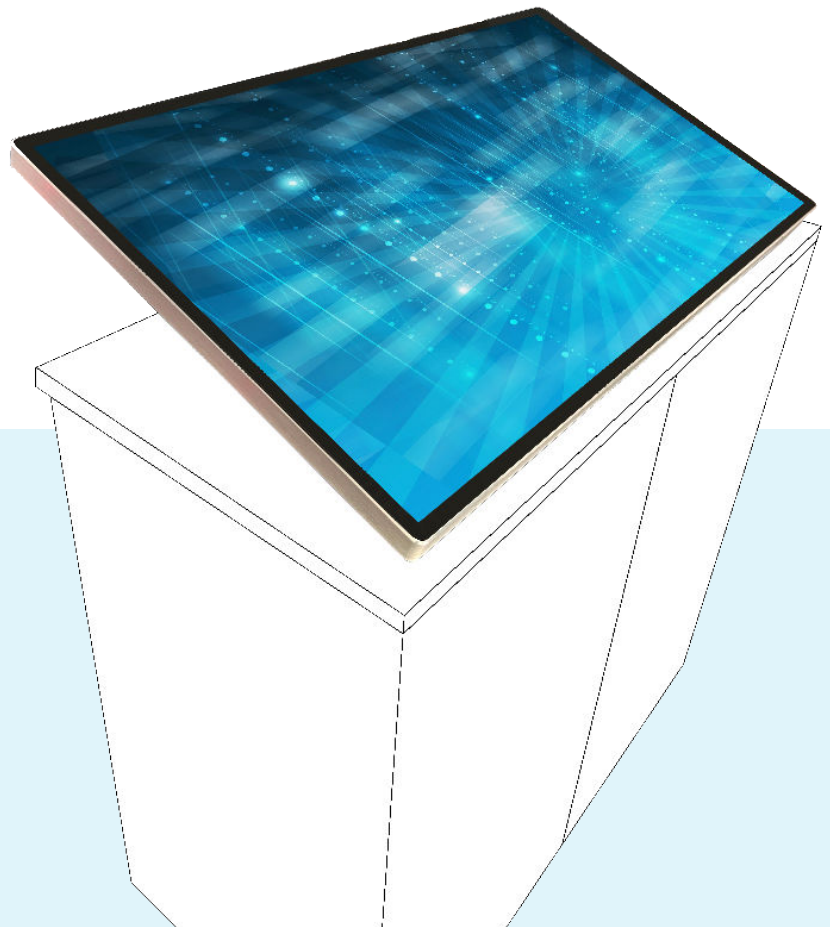

KIO320-WEDGE

The KIO320-WEDGE is a clever design showcasing our 32" touch screen. Perfect for museum, retail and product promotion applications.

The kiosk's invisible aesthetic and small footprint creates the illusion of the touch screen floating above the countertop, whilst enclosing all components, including the PC.

KIOSK FEATURES

- Countertop design with the option to fasten in place
- Power and data cables feed from the rear with option to bring through the base
- Active cooling with multi-speed fan
- Secure access option to protect PC
- Supplied with a Low Profile Intel NUC PC
