## SECURING YOUR KIOSK TO THE FLOOR (OPTIONAL)

---

For further information on securing your kiosk, do not hesitate to contact us on [support@intouchscreens.com.au](mailto:support@intouchscreens.com.au)

## CLEANING INSTRUCTIONS

### Applicable to touch screens and kiosks:

Intouch suggests using an isopropyl alcohol spray and clean microfibre cloth.

**Caution:** Be careful when cleaning your kiosk to avoid vinyl graphic areas so as not to damage the artwork. **DO NOT** use abrasive cleaners, solvents or cloths.
